

Write a c program to print Pyramid like structure

Algorithm

Step 1:- Start

Step 2:- Input the no of rows

Step 3:- for $i=1$ to $i \leq n$
 for space $=1$ to space $\leq n-i$
 print " "

Step 4:- while ($k! = 2*i-1$)
 print "*" $k++$

Step 5:- output pyramid structure

Step 6:- Stop

Flowchart
