

Write a program to remove spaces from string

Algorithm

Step 1:- Start

Step 2:- Enter a string

Step 3:- $len = strlen(str)$

Step 4:- for $i=0$ to $i < len$

if $(str[i] == ' ')$

for $j=i$ to $j < len$

then $str[j] = str[j+1]$

Process len:-

Step 5:- output string after removing spaces

Step 6:- Stop

Flowchart
